

Delivering person-centric *wellness and healthcare*.

InPursuit Health is a digital healthcare and wellness company. We deliver personalized wellness and healthcare directly to consumers, and equip independent providers with digital care services they have never been able to offer their patients, all running on the InPursuit Orchestration Layer, our infrastructure that is built and operating today. **One foundation. Two engines.**

BUILT AND OPERATING, NOT A ROADMAP

● **CMS General Availability**
Recognized in all three pledged categories, July 27, 2026. Listed on CMS.gov. Targeting the Medicare App Library, 67M recipients.

● **Anchor practice signed**
Honeycomb Medical Group, 22,000 patients, first InPursuit Partner Network deployment.

● **\$300K Rural Health filed**
Mississippi RHTP applications submitted with our anchor practice. Awards projected August 2026.

● **J. Krug delivering**
Employer benefits brokerage, ~300 employer clients, the first commercial channel with the app in hand.

ENGINE 1 • FOR THE PERSON
Consumer Engine
~\$5.3M MODELED • APP + CASH-PAY CLINICAL

- **The InPursuit app:** Free to \$89.99/mo memberships, plus offers and cashback at the moment of transaction. The Free tier is the acquisition engine.
- **Cash-pay clinical lines we furnish:** Weight & GLP-1, Men's Health, Women's Health, with real vitals in every virtual visit via InPursuit Reflect.

HARNESS THE POWER OF YOUR DATA™

ENGINE 2 • FOR THE PRACTICE
Provider Engine
~\$1.248M PER PRACTICE • ALL-PAYER, 2026 CMS RATES

- **RPM, CCM & APCM** delivered through the InPursuit Partner Network, the care practices cannot staff on their own.
- **Our NPI bills the payer.** The practice pays \$0, keeps everything it bills, and InPursuit never takes a percentage of clinical revenue.
